Practical programming and numerical methods - Exam 2020

My repository is found at: https://github.com/ChristianLange96/ppnm

The problems can be found in /Problems.
The exam can be found in /Exam.

My student number is 201706578, so I will do exam question number 12 (78 mod 22 = 12).

If there are any questions, my mail is: 201706578@post.au.dk
